Dear Ms. Richards:

My husband's great great grandmother, Alpa M. H. Buck - daughter of Daniel and Content Ashley Buck - was born 27 April 1807, Norwich, Windsor County, Vermont. She married John King, 1 January 1821, Chelsea, Orange County, Vermont. We believe that Alpa M. H. Buck and John King were divorced between 1830 and 1851 when she remarried.

In Lawrence, Massachusetts, we found a marriage record for Alpa M. H. Buck (she had resumed using her maiden name) and David Morgan, age 54, born Beverly, Massachusetts.

We need the following information if possible:

1. A divorce record between Alpa M. H. Buck and John King - sometime between 1830 and 1851.

2. A death record for Alpa M. H. Buck (King) Morgan. She was born in 1807, so she probably died before 1895.

3. A death record for her husband, David Morgan, born Beverly, Massachusetts, about 1797.

My check for $4.00 and a self-addressed, stamped envelope is enclosed. If you find a death record for Alpa M. H. Buck, I would like a certified copy. Information from the other documents would be sufficient.

You were very helpful during our telephone conversation today. I look forward to hearing from you, and I appreciate your assistance very much. Please find my address below:

Thanks again.

Governor Chittenden to the Vermont Delegation in Congress Concerning Ira Allen, The Olive Branch, and the Loss of Arms for the Militia

Williston, April 20, 1797.

Gentlemen. If you find it consistent, I wish you to apply to the British Ambassador as soon as you arrive in Philadelphia, & request his good offices in favor of Gen. Allen, who has lately had a large quantity of arms & military apparatus captured on their passage from France to this country on board the Olive Branch of Boston by the Audacious man of war. You can with the greatest propriety, assure him that the arms were intended for the Militia of this State, and purchased at my request. The loss of them will not only ruin Gen.

A resolution of the citizens of Windsor in favor of the Jay Treaty was opposed by Congressman Buck, resulting in bitterness at the time.

District of Columbia }
Washington County ss }

On this 16th day of April AD 1839. personally appeared before me the subscribing authority, being a Justice of the peace within and for the County of Washington aforesaid, D. A. A Buck late a resident of Chelsea in the County of Orange and State of Vermont, now of the City of Washington in the District aforesaid, who being first duly sworn according to law, deposes, testifies and says as follows.

That he is son of Daniel Buck late of Chelsea in the State of Vermont and that during the life time of his said father he received from him the following history of the said Daniel Bucks services in the War of the Revolution which this deponent verily believes to be true. The said Daniel Buck was born in Hebron, Connecticut, and joined the American Army near Boston in the summer of 1775 and shortly after the battle of Bunker hill and there enlisted into the Continental establishment. What company, Regiment or line the said Daniel Buck enlisted into this deponent does not now know, although he has heard the said Buck name his Officers. The said Buck remained at Boston until the evacuation of that town by the British troops, and thereafter marched southward. In the summer of 1776 he served with the army near New York and was engaged in the battle of White plains and from thence marched through New Jersey and went into winter quarters at Valley Forge. When the American army crossed the Delaware river in Dec. 1776 the said Buck marched with it and engaged in the battle of Trenton after which the period of his enlistment being expired and his health very much impaired he left the service and returned to his friends in Danesborough Massachusetts. On the invasion by Genl. Burgoyne the said Buck again entered the service and was engaged in that campaign against Genl Burgoynes army where he received a wound which occasioned the loss of his left arm. These services as this deponent has always been informed were rendered under different enlistments with short intervals to enable him to visit his friends. This deponent has often heard the military services of the said Buck spoken of between him and others who were his comrades, all of whom are now dead, so far as the deponent recollects; and this deponent has no hesitation in saying that he verily believes that the said Daniel Buck served during the War of the Revolution at least one year. Whether these services were rendered wholly in the Connecticut line or partly in that line and partly in the Massachusetts line this deponent cannot say, he believes however that the latter is the fact.

The said Daniel Buck was in his life time an invalid pensioner of the United States and received his pension at the Philadelphia Agency, the papers for which this deponent has often made out and received the money thereon.

This deponent further says there was an ancient family record of the said Daniel Bucks family which was in his hand writing. On the occasion of purchasing a new family Bible in 1807 this deponent by direction of the said Buck transcribed said record and that the record accompanying so far as relates to part thereof and particularly that of the said Bucks marriage with Content Ashley is in the hand writing of this deponent and is a true transcript of the said original record above mentioned and has been in this deponents possession since the decease of the said Daniel Buck. The said original has been worn out and destroyed.

This deponent further says that the said Daniel

That on the tenth day of September 1845 she was transferred from the Roll of the District of Columbia to that of Ohio to take effect from and after the 4th of March 1845 –

the proper officer here to certify the authority of a Justice of the Peace, and is usually called the County Clerk; but he, preferring his more technical title, substituted it, as you will see, in his certificate. I hope these writings are sufficient, as they have been expensive to my little purse, and on account of my age troublesome in attending for affidavits. My grandson, David Buck, of Washington, to whose care I send these, will, as I expect, see to any further particulars that need explanation: he knows all about me, could prove my signature, and every thing necessary to be known in this matter, and he has, by this and a former letter, full power to act for me, to obtain my transfer.

The Secy of War of U. S.;

Hon. of Pensions
Washington D.C.

Dear Sir,

I wish to obtain sufficient data to establish my eligibility to become a member of the "Sons of the Revolution."

I claim through my maternal grand father Daniel Buck.

Family tradition states that he served in the army of the Revolution, lost an arm in the battle of Bennington (I think). He was a member of Congress from Vermont during Washington's administration. A newspaper clipping, which I have, states that he was a member of the Continental Congress. That I think a mistake. Daniel Buck married Content Ashley and she as his widow was on the pension roll a number of years.

I think Mrs Buck (nee Content Ashley) was the daughter of Daniel Ashley who I think was also on the pension rolls.

My grand father Elnathan Bassett married Anna Southworth, daughter of Josiah Southworth of Conn. Was Josiah Southworth on the pension rolls?

Any facts you may give me tending to establish my right to become a member will be [illegible] a favor. The records of the War Department may give me [illegible] facts. Would the Congressional Records furnish any personal record of Daniel Buck?

Yours Truly

Boston Sept[r] 17[th] 1840.

Sir,

I received yours of July 21[st] and have been searching ever since for something relating to Daniel Bucks service or the pension allowed to him. I can find nothing relating to the pension first granted him, but at last I have been able to find in the file of Petitions for 1818 one from him for an increase of pension, as he was a sergeant to which his warrant was annexed, certified copies of which I herewith forward to you. He does not appear to have been in Capt Peark's company and the time of service is not mentioned, but perhaps they have Capt Asa Barns' roll in the War Department, if so, they will without doubt find his name on it. I do not think I shall be able to find any thing more respecting the service, if I should I would let you know.

Yours, respectfully,

Eleazer Homer

Sir,

Inclosed I have the honor to transmit to you the Declaration of my mother, Content Buck, widow of Daniel Buck, for the purpose of obtaining the benefit of the Act of 7th July 1838; together with the evidence in support of the same, so far as it has been possible to obtain proof.

Very respectfully
Yr. Mo. Obt. Servt.
D. A. & C. A. BUCK.

To the Hon^ble the Congress of the United States: humbly Sheweth the
petition^r of Daniel Buck, of Norwich, in the State of Vermont— That
your petitioner, having served in the Army in the late revolutionary
war, in the years 1775 & 1776, returned from service soon after the battle of
Trenton, an account of his ill health, which prevented his accepting
a commission offered him the winter following; and being at Lanesbo-
rough, in the State of Massachusetts, in the Summer of 1777, when
a party of Hessians, belonging to the army of Gen^l Burgoyne made
their approach near Bennington, he turned out as a volunteer
with the Militia of that place, under the Command of Capt^n David
Wheeler, Col^o Simonds's Regiment; and while thus in the actual Servi-
ce of the United States, and in the capacity of a private soldier, on the 16^th
of August, in the action called Bennington battle, he received a
wound in his left arm by a musket ball from the enemy, which
occasioned its total loss, by rendering necessary it's amputation near
his shoulder.

According to the then regulations of the Massachusetts forces,
with whom he was returned, he was pensioned at the rate of two
-ty shillings pr month, amounting to forty Dollars pr annum
which he regularly received of John Lucas, Esq^r Commissary
of pensions at Boston, until the 17^th of March, 1786. Since
which, he has received the same rate of pension by Col^o. Moylins
Deputy or Commissary of pensions at Philadelphia, up to
the 4^th March, 1786.

Though your petitioner has ever considered
case as extremely unfortunate, and hard, in as much as he
served in the capacity of a Sergeant in the Army in 1776, and
had the offer of a commission in the winter of 1777, and as
by later regulations, in regard to those who were afterwards
wounded, the full pension of a private was established at five
Dollars pr month; yet, knowing the necessity of adhering
to established rules, & the unhappiness of claims of the like kind,
and feeling a diffidence in calling for so small a pittance, he
has been silent on the subject, or would he now break that silence
but for pure necessity— But feeling the pressure of embarrassments re-
-sulting from misfortunes in professional concerns, the infirmity of his
professional Services, in consequence of the depreciation of wealth for our
Gold, as was frail & broken constitution with the approach of old age &
occasioned its total loss, by rendering necessary it's amputation near
his shoulder.

According to the then regulations of the Massachusetts forces,
with whom he was returned, he was pensioned at the rate of two
-ty shillings pr month, amounting to forty Dollars pr annum
which he regularly received of John Lucas, Esq^r Commissary
of pensions at Boston, until the 17^th of March, 1786. Since
which, he has received the same rate of pension by Col^o. Moylins

the 4^th March, 1786.

but for pure necessity— But feeling the pressure of embarrassments re-
-sulting from misfortunes in professional concerns, the infirmity of his
professional Services, in consequence of the depreciation of wealth for our
Gold, as was frail & broken constitution with the approach of old age &
with a large family depending for support, and entering upon their education,
without means as to support the same, & offering that by a stroke of the
pen, a pension has been made for the augmentation of the Army ten Dollars
pr month, & am assured, he paid by the Treasury of the United States
may be permitted to draw a further pension of a private, and that the
arrearage of twenty Dollars pr annum may be paid down from the time
of running his wound; or that such other precise order be made as the wisdom
and Justice of your Honble Body shall dictate.

On this 16th day April A.D. 1839 personally appeared before the Orphans Court of the County of Washington aforesaid Content Buck late a resident of Chelsea in the County of Orange and State of Vermont, now of the City of Washington aforesaid, aged sixty seven years, who being first duly sworn according to law doths, on her oath, make the following declaration, in order to obtain the benefit of the provision made by the Act of Congress, passed July 7. 1838, entitled "An Act granting half pay and pensions to certain widows". That she is the widow of Daniel Buck late of Chelsea in the State of Vermont who was a private in the Army of the Revolution. The said Daniel Buck was born in Hebron in the State of Connecticut and shortly after the battle of Bunker hill joined the American Army near Boston in the summer of 1775 and there enlisted as a soldier on the continental establishment and continued in said service and marched from Boston southward with said Army upon the evacuation of Boston. He the said Daniel Buck continued in said service by enlistments from time to time until 1777. The said Daniel Buck in his marches south was in the battle at White plains near New York, thence marched through New Jersey and went into winter quarters at Valley Forge in the winter of 1778, from thence he crossed the Delaware river and was in the battle of Brunton after which he went to the north, was engaged in the campaign which resulted in the capture of Burgoyne in 1777 when he left the service. This declarant has no documentary evidence of the services of the said Daniel Buck and as her acquaintance with him did not commence until 1785 all the knowledge she has as to those services was derived from him. She is also unable to state the company, Regiment or line in which he served, the names of the officers having escaped her recollection, but she believes that for part of the period he served in the Massachusetts line & for part in the Connecticut line. She cannot state any more particularly than she has done the place of his residence when he entered the service.

She said Daniel Buck was an invalid pensioner of the Revolutionary war in consequence of the loss of his left arm from a wound received in battle.

This declarant further says that she was married to the said Daniel Buck on the 22d day of September 1786 and that her husband the aforesaid Daniel Buck died on the 14th day of August 1816, that she was not married to him prior to his leaving the service, but the marriage took place previous to the first of January seventeen hundred and ninety four and at the time above stated and that she has not been married since his death but now remains his widow.

Commissioner of Pensions,
Washington, D. C.

Dear Sir:

I wish to find out whether Daniel Buck, member of the 4th Congress from Vermont received a pension for his services in the Revolutionary War, and if so what were those services? What was his rate or rank and in what body of troops did he serve?

He lived in Norwich, Vermont until 1809, when he removed to Chelsea, Vermont, where he died Aug. 16, 1816. The local histories say that he was a private and that he lost an arm in the battle of Bennington.

It is stated thatin the year 1807 he petitioned Congress for an increase of pension, alleging that the pension he was receiving as an invalid was insufficient. He stated in his petition that he served in the Revolutionary Army in 1775 and 76, and was wounded at Bennington in 1777.

Yours very truly,

C. C. Bassett.

Sir:

In reply to your request for a statement of the military history of Daniel Buck a soldier of the REVOLUTIONARY WAR, you will find below the desired information as contained in his (or his widow's) application for pension on file in this Bureau.

DATES OF ENLISTMENT OR APPOINTMENT.	LENGTH OF SERVICE.	RANK.	OFFICERS UNDER WHOM SERVICE WAS RENDERED.		STATE.
			CAPTAIN.	COLONEL.	
			From papers on file with his widow's claim for pension it appears that he enlisted in the summer of 1775 as a private in Capt. Stephen Pearl's company, Col. B. R. Woodbridge's Massachusetts regiment, and in December, 1776, was commissioned a Sergeant in Capt. Asa Barnes' company, Col. Paul D. Sergent's regiment. It is probable that he rendered later service as a private but the dates of his enlistment and discharge are not given. His widow's pension was allowed for 18 months and 26 days service as a private and 1 month's service as a Sergeant.		

Battles engaged in, White Plains, Trenton, Bennington.

Residence of soldier at enlistment, Lanesborough, Mass.

Date of application for pension, by widow, April 16, 1839.

Residence at date of application, of widow, Washington, D. C.

Age at date of application, of widow, sixty-seven years.

Remarks: Soldier married Content Ashley, Sept. 22, 1786, and died Aug. 14, 1816. At the battle of Bennington he received a wound in the left arm which necessitated its amputation.
No record has been found of Josiah Southworth as a pensioner.

Mary Kirby was dau. of John, son of Joseph of Rowington near Kenilworth,, Warwickshire, Eng., first emigrant, came over in the "Hopewell," 1635, aged 12 years and it is quite certain that Emanuel's first wife was Sarah, sister of John Ryley, formerly of Norfolk, Eng., as he calls him brother in his will of May 13, 1674, and he also had a dau., Sarah, and casually mentions Enoch and Henry elsewhere as near relatives. Also Christian, age 26, who came over in the ship "Blessing" to New England, July 13, 1635, is the veritable Emanuel, says H. W. Hemmingway of Boston, from newly discovered documents.

BUCK SURNAME BOOKLETS

27 June 1990

Dear Betty,

Thanks for the order for the BUCK SURNAME BOOKLET, and also for the material you submitted. It was too late for Volume IV, but is definitely appreciated for Vol. V. I hope to have it ready this fall. I will send notices when it is completed.

It was nice of Barbara to tell you about it. She has been extremely helpful to me in getting and keeping them going again.

Do you by chance know Frank Rader? He and Vi used to live in Milpitas. She died a few years ago, but as far as I know Frank is still living in Friday Harbor. Also my husbands uncle John Ohman used to live there. He too died a few years ago. We visited up there several years ago, it is truly beautiful.

Thanks again, and happy hunting.
